

Suffered Twenty-one Years— Finally Found Relief

Having suffered for twenty-one years with a pain in my side, I finally have found relief in Dr. Kilmer's Swamp-Root. Injections of morphine were my only relief for a short period of time. I became so sick that I had to undergo a surgical operation in operation in New Orleans, which benefitted me for two years. When the same pain came back one day I was so sick that I gave up hopes of living. A friend advised me to try your Swamp-Root and I at once commenced using it. The first bottle did me so much good that I purchased two more bottles. I am now on my second bottle and am feeling like a new woman. I passed a gravel stone as large as a big red bean and several small ones. I have not had the least feeling or pain since taking your Swamp-Root and I feel it my duty to recommend this great medicine to all suffering humanity. Gratefully yours,
MRS. JOSEPH CONSTANCE,
Rapides Par. Echo, La.
Personally appeared before me this 15th day of July, 1911, Mrs. Joseph Constance, who subscribed the above statement and made oath that the same is true in substance and in fact.

Best Cough Medicine for Children

"Three years ago when I was living in Pittsburg one of my children had a hard cold and coughed dreadfully. Upon the advice of a druggist I purchased a bottle of Chamberlain's Cough Remedy and it benefitted him at once. I find it the best cough medicine for children because it is pleasant medicine to take. They do not object to taking it," writes Mrs. Lafayette Tuck, Homer City, Pa. This remedy contains no opium or other narcotic, and may be given to a child as confidently as to an adult. Sold by all dealers.

THIS LADY'S GOOD APPETITE

Mrs. Hansen, in a Letter From
Mobile, Tells How She Gained It.

Mobile, Ala.—"I suffered for seven years, with womanly trouble," writes Mrs. Sigurd Hansen in a letter from this city. "I felt weak and always had a headache and was always going to the doctor. At last I was operated on, and felt better, but soon I had the same trouble.

My husband asked me to try Cardui. I felt better after the first bottle, and now, I have a good appetite and sleep well. I feel fine, and the doctor tells me I am looking better than he ever saw me."

If you are sick and miserable, and suffer from any of the pains due to womanly trouble—try Cardui.

Cardui is successful because it is composed of ingredients that have been found to act curatively on the womanly constitution.

For more than fifty years, it has been used by women of all ages, with great success. Try it. Your druggist sells it.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a 25 cent bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scourer robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots flake, loosen and die; then the hair falls out fast. Surely get a 25-cent bottle of Danderine from any drug store and just try it.

Fined For Fighting

A Keytesville man was fined \$2.50 and costs in police court Thursday morning November 5 on the charge of having disturbed the peace by fighting in a pool room the day before. He had to pay for two cues which he broke over an opponent's head while he was making the disturbance. — Moberly Democrat.

It is reported that the two cues cost \$3 each and that the man was fined \$2.50 and costs which added materially to the cost of his trip. The fellow he hit got a bad jolt.

New Tank at Oil City

The big 55,000 bbl. oil tank at Oil City that burned several months ago is replaced by a new one of considerably less capacity. The new tank has a capacity about half of the old one, holding 27,000 bbls. The difference in capacity is made by lessening the diameter of the tank by 12 feet. The tank has been completed for a week or two. The old tank was one that the oil company had removed from some other place and planted at Oil City while the smaller one is made of the entirely new materials.
